Biography

Rich primarily concentrates his practice on domestic and international mergers and acquisitions, transactional work, and general corporate and business law. He also serves as co-chair of Barclay Damon's International Practice Area.

Rich's clients include large and small privately owned and publicly traded business entities. As such, he helps clients resolve the myriad of business and contract issues that companies face on a day-to-day basis. Rich additionally works with business owners and senior executives on estate planning and business succession matters.
